

The 2nd day of International Studies  
organized by the Association Phrasis

***PHRASEOLOGY AND PAREMIOLOGY:  
PAST, PRESENT AND FUTURE***

***Free Wi-Fi area***

In order to guarantee the use of the Wi-Fi network - made available by the University of Cagliari for the 16th, the 17th and the 18th September 2015 during the celebration of the II international congress of phraseology and paremiology - we ask you to pay serious attention to this note.

If you already access to Internet with the interuniversity federate network EDUROAM, it is necessary you have already accessed from your location of origin with your login information.

**It is quite important that you have already done some successful connection from your location of origin.**

If you don't use the network EDUROAM, it is possible for us to grant an individual ad hoc account.

So that, would you please send us an e-mail to [convegnophrasis.cagliari@gmail.com](mailto:convegnophrasis.cagliari@gmail.com) notifying us if you access or not to EDUROAM. If you don't, would you please specifying your name, your surname and your e-mail address by the **31st August 2015**.

Should you need any further clarifications, please do not hesitate to contact us.
